

ANTI-BRIBERY POLICY

Introduction

Bribery is a criminal offence. DAS Fire prohibits any form of bribery. We require compliance from everyone connected with our business, with the highest ethical standards and anti-bribery laws applicable. Integrity and transparency are of utmost importance to us and we have a zero tolerance attitude towards corrupt activities of any kind, whether committed by DAS Fire employees or by third parties acting for or on behalf of DAS Fire.

Policy

It is prohibited, directly or indirectly, for any employee or person working on our behalf to offer, give, request or accept any bribe i.e. gift, loan, payment, reward or advantage, either in cash or any other form of inducement, to or from any person or company in order to gain commercial, contractual or regulatory advantage for the Company, or in order to gain any personal advantage for an individual or anyone connected with the individual in a way that is unethical.

If DAS Fire suspect an act of bribery or attempted bribery has been committed, an investigation will be carried out and, in line with our disciplinary procedure where appropriate, action may be taken which may result in dismissal, or the cessation of our business arrangement.

If an employee or person working on our behalf, suspect that an act of bribery or attempted bribery has taken place, even if you are not personally involved, you are expected to report this to the Managing Director. You may be asked to give a written account of events.

Employees are reminded of the Company’s Whistle-blowing policy details of which can be found in DAS Employee Handbook.

Gifts and Hospitality

We realise that the giving and receiving of gifts and hospitality as a reflection of friendship or appreciation where nothing is expected in return may occur, or even be commonplace, in our industry. This does not constitute bribery where it is proportionate and recorded properly.

No gift should be given nor hospitality offered by an employee or anyone working on our behalf to any party in connection with our business without receiving prior written approval from the Managing Director. Similarly, no gift or offer of hospitality should be accepted by an employee or anyone working on our behalf without receiving prior written approval from the Managing Director.

A record will be made of every instance in which gifts or hospitality are given or received.

As the law is constantly changing, this policy is subject to review and the Company reserves the right to amend this policy without prior notice.
